Letter No. C. 1790/R -26 dated the 7th/12th Febry. 1926 from the Revenue Commissioner in Mysore, requesting sanction to the Tumkur Deputy Commissioner's recommendation to the grant of Survey Nos. 22 (a Gundaltope) and 152, measuring 2 acres, 14 guntas and 2 acres, 39 guntas respectively of Kittamangala Village, Kunigal Taluk, free of upset price, to the temple of Sri Are Shankareshwara, a non-muzrai Institution of the village.

Order No. R 5032/LR. 476-25-2-

Dated, Bangalore, 8th ~~March~~ April 1926.

It is reported that this temple, an ancient non-muzrai institution, was in a state of disrepair, that the villagers have repaired it at a cost of Rs. 2000/-, that on account of its having no Inam lands, it was found difficult to get a permanent Pujari for the worship of the deity, and that Narasimhe Gowda and others of the village have therefore applied for the grant of the two lands referred to above for the benefit of the temple. Survey No. 22 is estimated to be worth Rs. 200/- an acre with a malki of Rs. 2/- and Survey No. 152 at Rs. 40 to 50/- an acre with a malki of Re. 1-3-0. It is seen from the records that Survey No. 22 has been applied for by one Syed Mahomed Sultan Sab of Kempanahalli for grant for malki price, that the land is fit to be converted into garden and is valuable and that if sold in auction, there is no likelihood of the temple getting it. All the officers, the Amildar, the Sub Division Officer, the Deputy Commissioner and the Revenue Commissioner recommend the grant of both the lands to the temple free of upset price. Considering all the circumstances of the case, Government direct that both the lands be granted to the temple at half the estimated value as upset price without auction. The villagers should

should contribute this amount.

2. The khate of the land should be made in the name of the deity and the cultivator made responsible for payment of the assessment.
